The Deeper the Roots

The Higher the Reach Purpose and Passion

Friday
May 29, 2009

The content of the workshop:

- How to create a new mindset.
- 3 important steps to a new belief system.
- How purpose of career produces a greater need for more skill sets.
- 2 interactive group sessions that will allow processing of the deeper meaning of work.
- Practical application of the 10 branches on a growing tree of success.

What will participants take away from the workshop?

- An organized plan of how to get more productive hours from employees.
- How to identify the reason for a lack of effort and what to do to increase productive work hours.
- Practical steps and processes for discovering lack of commitment and heart.
- A growth chart for the individual that will teach proven strategies for the individual.
- How to eliminate fear through focus. Individuals that focus on the right things get the right results.
